Master of Accounting Professional Concentration

ALL CONCENTRATION INFORMATION EFFECTIVE FOR STUDENTS ADMITTED FALL 2009 AND THEREAFTER.

This program of study is for students who **do not** have an undergraduate degree in accounting, and wish to enter accounting as a certified professional. Students who have earned an undergraduate degree in a discipline other than accounting are eligible to apply to this program.

The Professional Concentration is a 33-hour program of study. In addition to the 33 hours of graduate level coursework, the program has two pre-requisites that **MUST** be completed prior to admission:

- (1) An introductory financial accounting course — MGMT 502 or MGMT 202 at the Anderson School
- (2) An introductory managerial accounting course — MGMT 503 or MGMT 303 at the Anderson School

Students not completing the pre-requisites at Anderson should email ProfMACCT@mgt.unm.edu about other coursework that will fulfill the pre-requisite requirements prior to taking any courses. The six hours of pre-requisite coursework are not included in the 33 hours of coursework required to complete the program.

The following courses are **required** to complete the 33 hours of coursework. The Department of Accounting will offer the courses in the semester noted.

MGMT 540	Financial Accounting I	Fall or Spring
MGMT 541	Financial Accounting II	Fall or Spring
MGMT 542	Seminar in Personal Tax Planning	Fall or Spring
MGMT 543	Seminar in Business Tax Planning	Fall
MGMT 544	Assurance Services (Auditing)	Spring
MGMT 546	Financial Accounting III	Fall or Spring
MGMT 549	Accounting Information and Control Systems	Fall
MGMT 550	Professional Accounting	Spring
MGMT 559	Law for Accountants	Spring or Summer (online)
MGMT 626 ₁	Financial Management for Accountants (See note 1)	Spring (online)
MGMT 640 ₂	Accounting for Not for Profit Organizations (See note 2)	Fall (online)

The Professional Concentration accepts applications for Fall or Spring admission. However, the Professional Concentration primarily admits students at the beginning of Fall semester because of course scheduling. If you are applying for admission to the Professional Concentration in the Spring, please email ProfMACCT@mgt.unm.edu prior to submission of your application to determine if you meet the course requirements necessary for Spring admission.

1. If you have completed MGMT 326 or MGMT 526 at Anderson, you should **not** take MGMT 626. You must visit with the accounting faculty advisor about which graduate course to take instead of MGMT 626.
2. Students must complete either MGMT 640 or MGMT 643. MGMT 643 (Governmental Accounting) is only offered online in summer semester. MGMT 640 is usually offered Fall semester. Students must take either MGMT 640 or 643 (**not both courses**) to fulfill the program requirements.
